**APPENDIX TO
LETTER OF REPRESENTATION**

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

11. What benefits to the party were "donations"?

11.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 207 definition of **party donation**]. This includes donations protected from disclosure [see below].

11.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST [section 207 definition of **party donation**, and section 207A].

11.3 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation [section 207 definition of **party donation** at paragraph (a)(i), and section 207A].

11.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 207 definition of **party donation** at paragraph (a)(ii), and section 207A].

11.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 207 definition of **party donation** at paragraph (a)(iii)].

12. That donations were made to the "party"?

12.1 Was the donation provided to the party or to any person or organisation on behalf of the party? [section 207 definition of **party donation**].

The "party" is the registered political party [section 3 definition of **party**, and paragraph 14 below].

Apart from candidate donations [paragraph 13 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is "candidates".

13. Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 207 definition of **party donation** at paragraph (b).]

- the labour of any person provided free of charge by that person
- goods or services provided free of charge, or which have a reasonable market value of \$1,500 or less
- any candidate donation that is included in a candidate donation return filed under section 209

Do not include these items in the calculation of party donations.

14. Apart from donations protected from disclosure, which persons made "donations" to the party and which persons made "contributions to a donation"? [section 210(1) and paragraph 15 below.]

14.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

14.2 Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **transmitter**, and section 207B].

Include this donation in the calculation of donations from person A.

- Person B is a "transmitter" and is not a donor [section 21 definition of **donor** and definition of **transmitter**, and section 207B].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

14.3 Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?

If yes:

- Person A is a “contributor” and made a “contribution to a donation” [section 207 definition of **contribution** and definition of **contributor**, and section 207C].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **donation funded from contributions**, and section 207C].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

NOTE: whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

15. Which donations must be included in the return? [section 210.]

15.1 Which donors donated more than \$15,000 in aggregate during the calendar year? [section 210(1)(a).]

This includes any donations made through a transmitter [paragraph 14.2 above].

- Include these donations in the return in **Part A**.

15.2 Did the party disclose donations exceeding \$30,000 during the year? [section 10C.]

- Include these donations in the return in **Part A**.

15.3 Which contributors to donations made contributions exceeding \$1,500 during the calendar year, which when aggregated exceeded \$15,000? [section 210(1)(b).]

- Include these contributions in the return in **Part B**.

15.4 Which anonymous donations exceeded \$1,500 and who was the excess returned or paid to? [section 207 definition of anonymous, section 207I and section 210(1)(c).]

- Include these donations in the return in **Part C**.

15.5 Which donations made by overseas persons exceeded \$1,500 in aggregate during the calendar year, and who was the excess returned or paid to? [section 207K(1) definition of overseas person and the remainder of section 207K, and section 210(1)(d).]

- Include these donations in the return in **Part D**.

15.6 Which contributors who are overseas persons made a contribution of more than \$1,500 during to calendar year to any party donation?

- Include these donations in the return in **Part E**.

- Include these donations in the return in **Part F**.

15.8 How many other donations were received under the following categories and what was the total value of all donations for each category? [section 210(1)(f) and section 210(6A)(a)-(d).]

INDEPENDENT AUDITOR'S REPORT

To the Party Secretary of the Māori Party

Report on the Return of Party Donations for the 2012 Calendar Year

We have audited the attached Party Donations Return for the 2012 calendar year (the Return). The Return is prepared in accordance with Section 210 of the Electoral Act 1993 and contains the Party Donations required to be disclosed to the Electoral Commission.

Party Secretary's Responsibility for the Party Donations Return

The Party Secretary is responsible for the preparation of the Party Donations Return which correctly presents and discloses the donations received by the Party for the 2012 calendar year, as specified in Section 210 of the Electoral Act 1993.

Auditor's Responsibility

Our responsibility is to express an opinion on the Party Donations Return based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Party Donations Return is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Party Donations Return. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Party Donations Return, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the Party Donations Return in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the overall presentation of the Party Donations Return.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Party Donations Return.

Other than in our capacity as auditor we have no relationship with, or interests in the Maori Party except that we have assisted with the filing of the Party's annual income taxation return. This has not impaired our independence as auditor in any way.

Basis for Qualified Opinion on Party Donations Return

Section 210 of the Electoral Act 1993 sets out the total returnable donations required to be furnished in the Party Donations Return. It includes: donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the Party, premiums paid in respect of goods or services provided by the Party, and credit provided to the Party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items; donations of more than \$15,000 in aggregate from an individual donor; donation contributions of more than \$1,500 from an individual contributor that add up to more than \$15,000 in aggregate from that contributor; anonymous donations, overseas donations, and contributions to donations of more than \$1,500; donation contributions from an overseas person of more than \$1,500; the number of, and aggregate amount of, donations of more than \$5,000 but not more than \$15,000; the number of, and aggregate amount of, donations of more than \$1,500 but not more than \$5,000; the number of, and aggregate amount of, anonymous donations, and overseas donations, of \$1,500 or less; payments received from the Electoral Commission of donations protected from disclosure.

The scope of our work was limited in that:

- In common with organisations which receive donations and other income in the form of cash or donated services, control over this income prior to it being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control.
- Controls over the recording of goods or services donated to the Party are limited and there are no practical audit procedures to determine the effect of this limited control.
- There are difficulties in establishing the difference between the contract price and the reasonable market value of any goods and services provided to the Party at a discount or premium.
- There are difficulties in establishing the value to the Party of any terms and conditions of credit that are on more favourable terms and conditions than prevailed at the time.

In these respects alone we were unable to determine whether the Party has met all the conditions of the Electoral Act 1993.

Qualified Opinion on Party Donations Return

We were unable to form an opinion as to whether the Party Donations Return fairly reflects all of the returnable donations received by the Party.

In our opinion:

- We received from the Party Secretary all the information that we required to carry out our duties.
- Access was at all reasonable times available to all records, documents, and accounts that relate to the Party's Donations Return and held by the Party Secretary.
- Proper accounting records of Party Donations, once recorded, have been kept by the Party Secretary.
