# DONATIONS Complete Parts A to G

## Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500, the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation
- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)

- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

### The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less, or
- a candidate donation that is included in a candidate's return of donations.

## PART A: PARTY DONATIONS OF MORE THAN \$15,000

### Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2017 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation. Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors). Contributions of \$15,000 or less do not have to be included in the return.

# PART C: ANONYMOUS PARTY DONATIONS OF MORE THAN \$1,500

## Instructions for Part C – Anonymous donations over \$1,500

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

**WRITE 'NIL' IF YOU HAVE NO DONATIONS TO DECLARE HERE:**

**Donations from an overseas person**

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

If a donation from an overseas person is over \$1,500 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$1,500 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In **Part D** you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and

# PART F: DONATIONS PROTECTED FROM DISCLOSURE

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is \$45,627 between two successive elections. No party may currently receive more than \$304,180 from donations protected from disclosure between two successive elections.

In Part F you must declare:

## Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in **Part H**.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2017 or unpaid balances as at 31 December 2017 of any loans provided by the same lender in any previous year (from 25 March 2014).

**INDEPENDENT AUDITOR'S REPORT  
TO THE PARTY SECRETARY OF THE MAORI PARTY**

**Qualified Opinion**

We have audited the attached Return of Party Donations and Loans (the 'Return') prepared by The Maori Party (the 'Party') for the period 1 January 2017 to 31 December 2017. The Return is prepared in accordance with section 210 and section 214C of the Electoral Act 1993. The Return provides information about party donations and loans made to the Party.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the attached Return of Party Donations and Loans fairly reflects, in accordance with section 210 and 214C of the Electoral Act 1993, the party donations and loans received by The Maori Party for the period 1 January 2017 to 31 December 2017.

In forming our opinion we were reliant on the information provided to us by the Party Secretary.

**Basis for Qualified Opinion**

Based on the evidence obtained from the procedures we note the following limitations:

- Donation income belongs to an organisation once it is received, but there are generally no practical procedures available to determine that all income of this nature, whether in the form of cash or as donated/discounted goods and services, received by an organisation is actually recorded by that entity. Accordingly, an auditor of an organisation receiving significant amounts of donations usually qualifies their opinions to reflect the practical limitations of an audit in this area.
- In addition, per section 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

Due to the nature of these issues, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of these limited controls.

**Party Secretary's Responsibilities**

The Party Secretary is responsible for the preparation of the Return under section 210 and section 214C of the Electoral Act 1993, and for such internal control as the Party Secretary determines is necessary to enable the preparation of a Return that is free from material misstatements, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an independent opinion on the Return in terms of the requirements of section 210 and 214C of the Electoral Act 1993. Our engagement has been conducted in accordance with SAE 3100 Compliance Engagements to provide reasonable assurance that the Party's Return has complied with section 210 and section 214C of the Electoral Act 1993. These procedures have been undertaken to form an opinion as to whether the Party has complied, in all material respects, with section 210 and 214C of the Electoral Act 1993 for the period 1 January 2017 to 31 December 2017.

We are independent of The Maori Party in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Other than in our capacity as auditor we have no relationship with, or interests in, the Party.

#### Who we Report to

This report is made solely to the Party Secretary. Our audit work has been undertaken so that we might state to the Party Secretary those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary, for our audit work, for this report, or for the opinions we have formed.

#### Other Matters

Proper accounting records of party donations, once entered in those records, have been kept by the Party as far as appears from our examination of those records.

#### Inherent Limitations

Because of the inherent limitations of the audit process, it is possible that fraud, error or non-compliance may occur and not be detected. As the procedures performed for this engagement are not performed continuously throughout year and the procedures performed in respect of Party's compliance with section 210 and 214C of the Electoral Act 1993 are undertaken on a test basis, our assurance engagement cannot be relied on to detect all instances where the Party may not have complied with section 210 and 214C of the Electoral Act 1993. The opinion expressed in this report has been formed on the above basis.

## APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

<b>What benefits to the party were "donations"?</b> [sections 207 and 207A]	
<i>What gifts of money did the party receive?</i>	Any money donated to the party, regardless of method of payment, is a donation. This includes donations protected from disclosure.
<i>What gifts of goods or services did the party receive?</i>	Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST.
<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?</i>	Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation.
<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?</i>	The difference in value (premium) is a donation.
<i>What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?</i>	The value to the party of the more favourable terms and conditions is a donation.
<b>What donations were made to the "party"?</b> [section 3]	
<i>Was the donation provided to the party or to any person or organisation on behalf of the party?</i>	The "party" is the registered political party. Apart from candidate donations, all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.  The only segment of political parties recognised distinctly in electoral law is "candidates".
<i>Do any of the donations identified above, or components of those donations, fall within the party donation exclusions?</i>	A <b>party donation</b> does not include: <ul style="list-style-type: none"> <li>• the labour of any person provided free of charge by that person</li> <li>• goods or services provided free of charge, or which have a reasonable market value of \$1,500 or less</li> <li>• any candidate donation that is included in a candidate donation return filed under section 209</li> </ul> Do not include these items in the calculation of party donations.

	[section 207 definition of <b>party donation</b> at paragraph (b)]
<b><i>Apart from donations protected from disclosure, which persons made “donations” to the party and which persons made “contributions to a donation”?</i></b> [section 210(1)]	
<b>NOTE:</b> whether an intermediary is a <b>transmitter</b> of a donation on behalf of a donor, or is a <b>donor</b> making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to <b>transmitters</b> and <b>contributions</b> .	
<i>Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?</i>	If yes: Person A is a “donor” and made a “donation”. Include this donation in the calculation of donations from person A. [section 207 definition of <b>donor</b> and definition of <b>party donation</b> ]
If no: <i>Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?</i>	If yes: Person A is a “donor” and made a “donation”. Include this donation in the calculation of donations from person A. Person B is a “transmitter” and is not a donor. Do not include this transmission in the calculation of donations or contributions from person B. [section 207 definition of <b>donor</b> and definition of <b>transmitter</b> , and section 207B]
