DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500, the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation
- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)

- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less, or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2017 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation. Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors). Contributions of \$15,000 or less do not have to be included in the return.

INDEPENDENT AUDITOR'S REPORT

To the Party Secretary of the NZ Outdoors Party

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the attached Return of Party Donations & Loans presents fairly, in accordance with sections 210 and 214C of the Electoral Act 1993, the party donations and loans received by the NZ Outdoors Party for the year ended 31 December 2017.

Basis for Qualified Opinion

Limited controls exist prior to any cash donations being received and recorded by the Party. There were no practical audit procedures available to us to confirm the completeness of the donations received, and accordingly we were unable to obtain sufficient appropriate audit evidence in this regard.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)).

Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Party Donations & Loans Return* section of our report.

We are independent of the Party in accordance with Professional and Ethical Standard 1 (Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)*, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the NZ Outdoors Party.

Emphasis of Matter – Restriction on Distribution

This report is made solely to the Party Secretary. Our audit has been undertaken so that we might state to the Party Secretary those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary, for our audit work, for this report, or for the opinions we have formed.

The Responsibility of the Party Secretary for the Return

The Party Secretary is responsible on behalf of the entity for the preparation of the Return which presents fairly the party donations and loans received by the NZ Outdoors Party for the year ended 31 December 2017 in accordance with the Electoral Act 1993.

Auditor's Responsibility for the Audit of the Party Donations & Loans Return

Our objectives are to obtain reasonable assurance about whether the Return as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could be reasonably expected to influence the decisions of users taken on the basis of the Return.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Return, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings.

Other Matter

As per the requirements of the Electoral Act 1993 we were given access to all documents, records and accounts and found nothing to suggest that proper accounting records were not kept, and we received all explanations that were required.

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:
