DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party.

A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person – see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2020 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the person at whose direction the donation was made.

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G – Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in **Part H**.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2020 of any loans provided by the same lender in any previous year (from 25 March 2014).

INDEPENDENT ASSURANCE REPORT

To the Party Secretary of New Zealand First Incorporated Report on the 2020 Party Donations and Loans Return

Qualified Opinion

We have undertaken a reasonable assurance engagement of the attached Party Donations and Loans Return for the year ended 31 December 2020 ("Return") of New Zealand First Incorporated ("NZ First" or "Party"), which comprises:

- Part A – Party donations of more than \$15,000
- Part B – Contributions of more than \$15,000
- Part C – Anonymous party donations of more than \$1,500
- Part D – Overseas party donations of more than \$50
- Part E – Contributions from overseas person of more than \$50
- Part F – Donations protected from disclosure
- Part G – Other party donations up to \$15,000
- Part H – Party loans exceeding \$15,000 and
- Part I – Party loans between \$1,500 - \$15,000.

The purpose of the engagement is to express an opinion on the Party's compliance, in all material respects, with sections 210 (which relates to the annual return of party donations) and 214C (which relates to the annual return of loans) of the Electoral Act 1993 for the year ended 31 December 2020.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying Return, in all material respects, fairly reflects the party donations received by the Party Secretary for the year ended 31 December 2020.

Basis for Qualified Opinion

We conducted our engagement in accordance with the Standard on Assurance Engagements (SAE) 3100 (Revised) issued by the New Zealand Auditing and Assurance Standards Board and believe the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Our opinion is qualified on the following basis:

- Whilst we were granted access to all of the Party's electorates' bank accounts, we are not the auditor of the electorates and accordingly were unable to assess the completeness of donations and loans which may have been received at electorate level.
- Donations may have been received in kind by way of goods and services that have a reasonable market value of greater than \$1,500 (other than volunteer labour) including the value of GST, and there are no practical audit procedures to determine whether they have been comprehensively recorded.
- The correct accounting for donations and loans between candidates and the Party may be incomplete.
- Controls over determining the residency status of donors is limited.

Due to the nature of these issues, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of these limited controls. Consequently, we were unable to determine whether any adjustments to the amount of party donations recorded was required.

The Party Secretary's Responsibility for the Return

The Party Secretary is responsible on behalf of the entity for the preparation of a Return which fairly reflects the Party's donations and loans received during the year ended 31 December 2020 in accordance with sections 210 and 214C of the Electoral Act 1993, and for such internal control as the Party Secretary determines is necessary to enable the preparation of a Return that is free from material misstatements, whether due to fraud or error.

Our Independence and Quality Control

We have complied with the relevant ethical requirements relating to assurance engagements, which include independence and other requirements based on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

In accordance with Professional and Ethical Standard 3 (Amended), we maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on, and SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about, whether the Party has complied, in all material respects, with sections 210 and 214C of the Electoral Act 1993.

We perform procedures in order to obtain evidence about the Party's compliance with, and the controls implemented to meet, sections 210 and 214C of the Electoral Act 1993. The procedures selected depend on our judgement, including the identification and assessment of risks that material non-compliance with sections 210 and 214C of the Electoral Act 1993 is likely to arise.

Other than in our capacity as the Party's independent assurance practitioners, we have no relationship with, or interests in, the Party.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure, it is possible that fraud, error, or non-compliance with sections 210 and 214C of the Electoral Act 1993 may occur and not be detected.

A reasonable assurance engagement for the year ended 31 December 2020 does not provide assurance on whether compliance with sections 210 and 214C of the Electoral Act 1993 will continue in the future.

Restricted Use

This report has been prepared for use by the Party Secretary for the sole purpose of establishing whether the Party has complied with sections 210 and 214C of the Electoral Act 1993. No responsibility is accepted for any reliance on this report by any person other than the Party Secretary, or for any other purpose other than that for which it was prepared.
